

Homemakers™
FURNITURE, MATTRESSES & ACCESSORIES

3/20/2020

Dear Valued Customers,

Today, we find ourselves in a most difficult time as we continue to learn more through monitoring of the COVID-19 outbreak. It has had such a drastic impact on everyone's lives throughout our communities, nation and worldwide, and certainly transformed our daily routines and brought a new meaning to the word "normal."

While we have worked hard to follow CDC guidelines to keep our store a safe and healthy environment for our associates and customers, in an effort to help to slow down the spread of the virus, Homemakers will plan to temporarily close our showroom at 7pm on Saturday, March 21st.

We know that this will have a financial hardship on our staff therefore, we will be providing full time employees that have been affected by the closure with two calendar weeks of pay.

Despite our showroom being closed, we look forward to serving your home furnishing needs at Homemakers.com. For now, we will continue with our shipping services and our easy, customer pickup area where our staff will be practicing non-contact procedures. The pickup hours will be: Monday-Saturday 10am-6pm and Sunday 11am-6pm.

We will have a limited number of customer service agents available at 515-727-1371 plus Live Chat on our website to help with any questions.

We value you as a customer and are hopeful that we'll see you soon after our store doors reopen. In the meantime, we wish you and your family the best in overcoming the challenges that face all of us.

Kindly,

Dave Merschman - President
