

SERTA ESSENTIALS II - WARRANTY INFORMATION

In this warranty: "Adjustable base" means the adjustable base foundation sold by L&P to the dealer. The "adjustable base" does not include the mattress. "L&P" means Leggett & Platt, Incorporated. "Purchaser" and "You" both mean the consumer who is the original purchaser of this adjustable base made by L&P. This warranty is not transferrable. "Warranty Commencement Date" means either (i) the date You purchased a new and unused L&P adjustable base or (ii) the date of manufacture of this adjustable base if You purchased an L&P adjustable base that has been used as floor or display model. L&P warrants this adjustable base to You on the terms and over the reducing periods of time set out below. All warranty claims require notice from You to be given to L&P in the manner set out below and to be received by L&P inside the applicable warranty time period.

1ST YEAR FULL WARRANTY

For the first year from the Warranty Commencement Date, your adjustable base is warranted against non-excluded defects in L&P's workmanship or materials. During the first year from the Warranty Commencement Date, L&P will repair or replace (at no cost to You) any defective adjustable base part and L&P will pay all authorized labor and transportation costs associated with the repair or replacement of any parts found to be defective.

2ND YEAR TO 5TH YEAR PARTS-ONLY WARRANTY

During the second through fifth year from the Warranty Commencement Date, L&P will replace defective electrical/mechanical adjustable base part(s)* not excluded by this warranty. You are responsible to pay all service and transportation costs related to the costs of receiving and installation of the new part(s)*.

6TH YEAR TO END OF 10TH YEAR PRORATED PARTS WARRANTY

Starting in the sixth year from the Warranty Commencement Date and through to the end of the 10th year from the Warranty Commencement Date, L&P will replace, within the terms and conditions set forth in this warranty, our adjustable base electrical/mechanical part(s)* found to be defective and not excluded by this warranty. You are responsible to pay all service and transportation costs related to receiving and installation of the new part and a portion of the cost of the replacement steel and mechanical part, based on the number of months that the base has been owned by you since the sixth anniversary of the Warranty Commencement Date. By the end of the 10th year, no portion of the replacement cost is covered by L&P. You will be required to pay 1/5th of the then-current replacement cost of the part multiplied by the number of years past the fifth year from the Warranty Commencement Date. This portion is calculated using the following formula: Cost of the part divided by 5 (being the number of years in years 6 to 10 inclusive), multiplied by the number of years you have owned the base since the end of the first 5 years. For example: if you make a claim for a part eligible for this warranty in the 7th year since the Warranty Commencement Date, you would be responsible for paying: \$100 part cost divided by 5, multiplied by 2 = \$40.00.
